## About the Organizers

### NOAA Weather Partners

NOAA Weather Partners is a consortium of National Oceanic and Atmospheric Administration weather research, operations, and training units in the Norman, Oklahoma, area. The partners include the Storm Prediction Center, National Severe Storms Laboratory, Warning Decision Training Branch, Radar Operations Center, and National Weather Service Norman Forecast Office. <http://www.norman.noaa.gov>

### Oklahoma Emergency Management Association (OEMA)

OEMA is a non-profit organization whose purpose is to assist local, state, and federal government in the establishment and maintenance of civil defense as an effective element of national defense and emergency management as an organizational structure by which local government can best prepare for, respond to, and recover from all major disasters. Through research, legislative review, information exchange and education programs, the OEMA strives to advance the professional standards of persons engaged in these activities. <http://www.okem.us>

### Central Oklahoma Chapters of the American Meteorological Society and the National Weather Association (COCAMS/NWA)

COCAMS/NWA is a non-profit (501(c)(3)) association of meteorologists serving Norman, Oklahoma City, and surrounding areas. The primary objectives of the organization are to provide the community with a social and scientific point of contact for meteorological, hydrological, and other related scientific interests. Membership includes scientists and students from the University of Oklahoma, the area's Federal research labs, Federal operational units such as the National Weather Service, and the private sector. The group has affiliation as a local chapter of both the American Meteorological Society and the National Weather Association. Meetings and activities are held jointly. <http://cocams.nwc.ou.edu/>
